A GREAT PLACE TO LIVE: MAKE IT BETTER

One of the best ways you can help improve our neighborhood is to get involved. See something you would like to change? Have an idea? Join a committee. That's where change comes from!

Can you spare 8-10 hours during the year? Most committees are not a big time commitment; often they meet 4-6x/year or less. Contact a committee chair and sign up to help and then show up.
